Documentation checklist

- Bill Provider Type 90 doula services with modifier U1.
- S9445 is limited to four visits during the prenatal, antepartum, and/or postpartum period up to 90 days postpartum; one visit per day.
- One labor and delivery visit is covered using 59409, 59514, 59612, or 59620 with U1.
- Prior authorization is required for medically necessary S9445 visits beyond the initial four.
- Do not append the TN modifier for rural members after 2025-08-25; Nevada Medicaid assigns urban/rural payment from the member residential ZIP.

Common denial check	Next action
Missing U1 modifier	Correct the modifier before submission.
Education visit cap exceeded	Obtain prior authorization before billing additional S9445 visits.
Delivery support cap exceeded	Confirm prior delivery billing before submission.
